USDA – APHIS Animal and Plant Health Inspection Services

To import a dog into the U.S. for resale purposes, the animal must be:

- in good health;
- vaccinated for rabies and distemper, hepatitis, leptospirosis, parvovirus, and parainfluenza virus (DHLPP);
- at least 6 months of age;

Specific paperwork must accompany the dog on its trip to the U.S. This includes:

- a health certificate and rabies vaccination certificate, issued in English by a veterinarian with a valid license to practice veterinary medicine in the county of export; and
- an import permit issued by APHIS.

not all animals
qualify as
pets
